Louisiana Ethic Administration Program

P.O. Box 4368

Baton Rouge, Louisiana 70821

Gentlemen:

I am requesting an advisory opinion on a subject. My Name is Marcus O. Peterson, I live in Jennings. I am a Police Jury member in Jefferson Davis Parish.

I was asking by a member of Jefferson Davis Fire District #1 to teach a class for the fire department. The class is an Emergency Medical Responder, the price that I told him is 125.00 per student not including books and other requirements.

I then inform him that I would need guidance from the Ethic Board to see if I can teach this class and charge the district, because of my position with the Police Jury.

The police jury approves appointments to the Fire Board, the fire board is responsibility for the operation of the Fire Department budget.

My question is can I teach this class and be paid for the service.

Yours Truly

Marcus O. Peterson
